

# MAX BARTOS

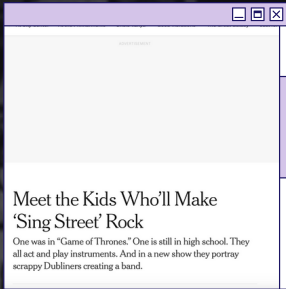

# BIOGRAPHY

---

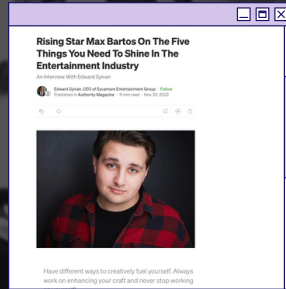

Best known for originating the role of Darren in **Sing Street** the musical both on and off **Broadway**. At 11 years old, Max was involved in a life threatening bike crash which caused traumatic brain injury and sidelined him from playing sports but showed him musical abilities he never knew he had when jump started his **Broadway career**. Max has participated in many pre-Broadway workshops including the new **Frank Wildhorn** musical **The Song of Bernadette**. In addition to his work on the great white way, Max has been in such films as **Uncut Gems** with **Adam Sandler**, **The Most Dangerous Man** with **Paul Logan** and **Young Shane** in **Shane Dawson's** film **The Lottery**.

A self taught musician, he plays six instruments including both acoustic and electric guitar as well as piano, drums, bass, banjo, and mandolin. He is a **verified artist** on **Spotify**, releasing one single and the concept rock opera **Such is Life**. A frontman for several emo/pop punk bands, Max performs and tours consistently all over the East Coast. He is the lyricist, composer, and book writer of two new musicals including an adaptation of HG Wells' **The Invisible Man** and a musical adaption of the **Spoon River Anthology**. Recently, Max is the co-host of the horror film podcast **Clowns "R" Us** with actor and friend **Connor Dean**. **Clowns "R" Us** is one of the **fastest growing** Film Review podcasts on **Apple Podcasts** and includes deep dives into horror films from all decades. When not working, Max enjoys boxing, practicing magic, and building legos.
